

Qingdao No. 1 International School of Shandong Province

April 29, 2011

Dear Parents of QISS Students,

May 2-3: May Day Holiday; no classes. Students return on May 4. This is a time to spend with family and friends.

The WASC Visiting Team concluded their visit of our school. They left us with many areas of strength as well as guiding us in areas for improvement. We will wait for the official WASC report, and then we will post their report on our web page for your review. In the meantime, the WASC preliminary findings will be made available after we return from the May Holiday.

Swimming at QISS

Students are using the school pool during PE classes and an after school activity on Mondays. It is a fun time to learn about swimming, water safety and maintaining a healthy lifestyle. Grade One and Grade Five are displayed in the photos enjoying the pool during PE classes.

Parents are always welcome to visit our classrooms. It is requested that you first contact your child's teacher and inform the teacher about your interest in visiting QISS.

Sincerely,

Mr. Alberto Gutierrez
