

Qingdao No. 1 International School of Shandong Province

March 25, 2011

Dear Parents of QISS Students,

Spring Break Vacation is scheduled April 4-8. Classes resume on April 11. We hope you will have a restful and meaningful vacation with your family and friends.

On March 19, the QISS Science Fair provided students an opportunity to share their scientific knowledge, and students demonstrated their understanding of the laws of nature. It was a treat to see how engaged students were with their audiences regarding their projects. Please see the photos below showing our lower school students during our science fair.

Jenna

We want to welcome Eun Jin (Jenna) Cho to Grade 2.

Parents are always welcome to visit our classrooms. It is requested that you first contact your child's teacher and inform the teacher about your interest in visiting QISS.

Sincerely,

Mr. Alberto Gutierrez
Lower School Principal
