

Qingdao No. 1 International School of Shandong Province

August 20, 2010

Dear Parents,

Welcome everyone to the new QISS academic school year at our modern campus. It is a pleasure writing this note from inside our new facility. Students, teachers and staff members are happy participating in numerous learning activities at beautiful QISS.

Both returning and new students are engaging in multiple learning opportunities as they interact with teachers and friends. It is truly rewarding seeing all children developing their own unique personality as they participate in our school's culture developing a mindful heart. Teachers are eagerly guiding each child in his or her learning journey at QISS and beyond.

Parents are always welcome to visit our classrooms. It is requested that you first contact your child's teacher and inform the teacher about your interest in visiting QISS.

PAC our parent action committee will hold their first meeting on Wednesday, August 25th at 1:00 in the lower school building, room #505. Parents are invited to attend.

Sincerely,
Mr. Alberto Gutierrez
Lower School Principal
