

Qingdao No.1 International School of Shandong Province

September 21, 2010

Dear Parents of QISS Students,

I want to thank each of you for your amazing participation for our International Day/ Open House on Saturday, September 18. With your support and attendance, students, parents and staff members experienced a memorable event. Please send me your feedback regarding the Open House portion of the day. Did you have enough time to meet with your child's teachers? What can we do next time to make the Open House more useful for you as a parent? As parents were busy with talking with teachers, students were busy in Art or PE/field activities.

Students, parents and staff members had an opportunity to dress in native dress attire. It help make the day colorful and fun. Children radiated in their special clothing from their home country. Actually, some staff members did an outstanding job too dressing up for the occasion.

September 22 is the Mid-Autumn Day Holiday (no classes).
October 1-8 is National Day Holiday (no classes). Students return on October 11.

Sincerely,
Alberto Gutierrez,
Lower School Principal
