The Next Great Event: Entrepreneur's Day May 19

Dear Members of the QIS Community,

We are pleased to announce that the fourth annual 'Entrepreneurs Day' will be held on Saturday, May 19th. This event should be a fantastic, fun filled day for all. If you were here last year you will remember that this is an opportunity for our students to experience a real life skill. Students who want to take part will have to create their own small business and take responsibility for its profits or loss. Students from all grades can take part, but we suggest that those children from the younger grades have a parent to help them.

Between 11am – 3pm on the day you will be able sell your item or game on QIS grounds. The space provided by QIS will cost you 20 RMB and you can use the money you make to spend at other stalls. The money collected for rental fees will go towards a community service project.

On the back of this paper is a list of ideas for you to think about. These ideas are there to help, it is not a set list and you can think of your own ideas. When you have thought of something please fill in the form below and give it to the school office. This event will be monitored by Mr. Kim (room 301) who will check to ensure nobody else has reserved your activity and then reserve a space for you. If you want to take part but still can not think of an idea please come and see Mr. Kim and he will try to help you. The more people who take part the more fun we will have and the more money you will make!

Please remember your customers are children so the money people can spend will be small. Therefore I suggest that food and drinks should only cost 5-10 RMB and to take part in a game it should cost 1 or 2 RMB. If you charge more than this you might not

have many customers!

Qingdao International School will provide a challenging academic program that develops the core character traits of VITALITY, COURAGE, SENSITIVITY, INTELLIGENCE, and COMPASSION.
